PER CURIAM:

Jackie R. Parker appeals the district court's order granting the Government's motion for summary judgment in his civil action concerning revocation of his security clearance. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Parker v. Blanton, No. CA-03-133-2 (E.D. Va. June 30, 2003). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
